

Belmont Primary School

Newsletter 27 May 2021

Dear Parents and Friends of the School

Thank you for your support of **Pink Shirt Day** last Friday. The children really embraced this idea to visually make a stance about bullying. I think it was the best ever turnout for supporting a very good cause. The Resilience Project also plays an important part in each child's mindset about **being kind, showing gratitude and being mindful of others.**

I would like to acknowledge all the effort the children have been putting in for their **cross country race tomorrow.** For 4 weeks, the children have been running the course. Some children find this event difficult, however they put in the effort to improve, they do not give up and I know they have a feeling of pride. I look forward to seeing many of you around the course and at school tomorrow. The **Juniors (Yr 1-2)** are at **1pm**, and the **Yr 3-6** children start at **1.30pm**, with Yr 3 girls first.

We have sent out a **survey regarding the Health Curriculum. This is a compulsory survey.** The MOE asks us to consult with our community every 18 months regarding the delivery of the Health Curriculum. Thank you for your input.

A reminder that **Friday 4th June** is a

Teacher Only Day and the school is closed.

If you are interested in supporting **Stanley Bay School's Mud Run** please register. If we get 100 registrations I will complete the mud run at 10am on Sunday 30 May. At this event there will also be food stalls.

Finally, I look forward to seeing you at **our assembly tomorrow** morning. Students from Rooms 6 and 9 will be our hosts.
